

CREATE IBM WATSON IOT PLATFORM AND DEVICE

TEAM ID	PNT2022TMID04740
PROJECT	Smart waste management system for metropolitan cities

Create IBM Watson IoT Platform And Device:

The screenshot shows the IBM Cloud console interface. At the top, there's a navigation bar with 'IBM Cloud', a search bar, and links for 'Catalog', 'Manage', and the user profile 'SELCIYADEVI S's Acco...'. Below the navigation bar, the main content area is titled 'Internet of Things Platform-ip' with a green 'Active' status and an 'Add tags' link. A left sidebar contains a 'Manage' section with 'Plan' and 'Connections' options. The main content area features a large graphic of a central node connected to several peripheral nodes. To the right of the graphic, the text reads 'Let's get started with IBM Watson IoT Platform' followed by a description: 'Securely connect, control, and manage devices. Quickly build IoT applications that analyze data from the physical world.' Below this is a 'Launch' button and a 'Docs' button. Further down, a section titled 'Ready for the next level?' introduces the 'IBM Watson IoT Platform Journey' with three stages: 'Lite', 'Non-Production', and 'Production'. Each stage has a brief description of the service plan. The 'Lite' stage is marked with a checkmark, indicating it is the current selection.

The screenshot shows the 'Browse Devices' page within the IBM Watson IoT Platform. The top navigation bar includes 'Browse', 'Action', 'Device Types', and 'Interfaces', along with a user profile 'selciyadevis.19ece@kongu.edu' and 'ID: 30mmlo'. A left sidebar contains various icons for navigation. The main content area is titled 'Browse Devices' and includes a 'Diagnose' button. Below the title, a paragraph explains that the table shows a summary of all devices added and can be filtered, organized, and searched. A search bar labeled 'Search by Device ID' is present. The table below lists the following data:

Device ID	Status	Device Type	Class ID	Date Added	Descriptive Location
01234	Disconnected	System	Device	Nov 18, 2022 9:13 PM	

At the bottom of the table, there is a pagination control showing '1 of 1 page' and a '1' button. The footer of the page indicates 'Items per page 50' and '1-1 of 1 item'.
